BOARDPASS 365 NETWORK: BOARD GOVERNANCE MANAGEMENT

Better Governance Made Easy

Joining a BoardPASS 365 Network provides members with access to a platform which combines targeted eLearning resources with a suite of practical cloud applications and board guidance documents. The result: a control panel for boards and committees that helps improve governance practices, risk management, compliance and board decision-making.

Designed Specifically for Irish Non-Profits

The BoardPASS 365 platform can be used as a training resource, governance and management tool or practical board reference and development guide.

Q: Who are our clients?
A: Volunteers, committee members and board directors and trustees of community groups, charities and social enterprises.

Q: Can the platform be used to implement the Governance Code?
A: Yes. Resources are configured to support Types A, B and C organisations. Templates and guides are provided for download and sharing.

"For any committee member, the availability of this resource is invaluable, something that can be consulted on a regular basis and a very good problem solver..."
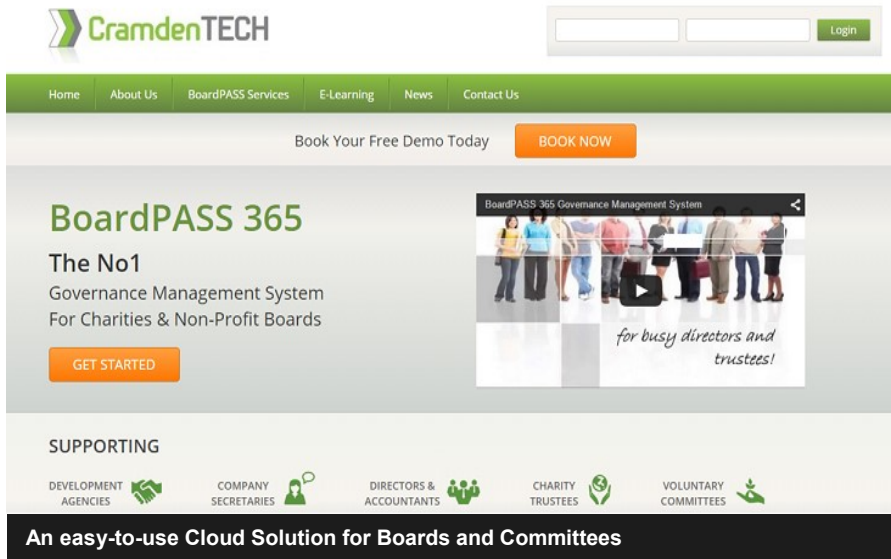

- B.G., Cork

Helps Committees and Boards Work Smarter

The platform is a one-stop shop containing applications and a Skills Development section offering video resources, checklists, handbooks and templates to help trustees implement the Governance Code. Using the platform makes exercising governance best practice easier and more consistent. Network members can also access a governance telephone support service free-of-charge on Mondays.

Key Benefits

- Easy-to-Use
- Ready to Go System
- No Software Downloads
- No Training Required
- Practical Content
- Telephone Support Available to Members

An easy-to-use Cloud Solution for Boards and Committees

One-stop Governance Hub

BoardPASS 365 provides a facility to produce and store key board documents and enable these documents to be shared off-platform as PDF documents. As board and committee members change, the collective governance knowledge of the organisation is retained in the repository of documents. In addition to being stored in the cloud, all documents can be emailed off the platform when required, or downloaded as appropriate.

Seven Key Applications to Govern Better

The CramdenTECH platform provides boards and committees with access to a suite of applications including: Agenda Builder, Minutes Builder, Risk Register, Compliance Tracker, Document Storage, Board Diary and Management Dashboard. Directors and trustees use the applications, to help them to effectively lead and monitor the work of their organisations. BoardPASS 365 can also be used as a training resource!

BoardPASS 365 Network Benefits

Network membership provides 12 months access to BoardPASS 365 and free access to our Governance Telephone Support Service on Mondays from 10.00am—2.00pm.

Network members can also avail of additional services at discounted rates including support with: *Charities Registration, Preparation of Annual Reports, Board Training and Facilitation, and Adoption of The Governance Code.*

Become a BoardPASS 365 Member

If you would like to join a **BoardPASS 365 Network** , please email us at learning@cramdentech.com or telephone us on 087-2194541. Cost of network membership is €100 per annum per organisation.

Using BoardPASS 365 enables Boards to:

- Develop meeting agendas and minutes intuitively using easy to follow apps.

- Create management reports to record key outputs, outcomes and operating metrics.

- Use ready-made corporate governance handbooks and volunteer management policies, templates and checklists thereby saving time and administration effort.

- Build a central repository of corporate memory and documents that remains as board members come and go.

- Access the resources and guides necessary to adopt The Governance Code.

- Keep all board members up-to-date and trained in their legal responsibilities as directors of companies limited by guarantee.

- Provide incoming board officers with a system to manage board governance consistently.

Improve Board Performance
